

Certified refurbished ULT Freezers

Get a great offer on an Eppendorf New Brunswick ULT Freezer

The quality your lab deserves is now available at the fraction of the cost!

Get a high performance certified refurbished Eppendorf New Brunswick™ ULT Freezer as a cost-efficient solution for your lab. Each ULT has been tested to comply with all manufacturers' specifications to offer your most precious samples certified security.

Refurbished Ultra-Low Temperature Freezers

- > Fully tested and certified to manufacturers' specifications by a certified Eppendorf technician
- > Serial number specific certificate of quality included
- > 1-year parts and labor warranty

Ask your local representative about our other certified refurbished Eppendorf products.

Don't freeze up, act now!

For more than 30 years, our Eppendorf New Brunswick Ultra-Low Temperature (ULT) Freezers have offered exceptional quality that exceeds capacity to provide you with optimal performance, outstanding energy efficiency, and superior temperature management. Each freezer is designed to fit through a standard door and operate with low heat-output and low noise levels to benefit your work environment. The Eppendorf ULT Freezer portfolio includes 3 different models, allowing a freezer to be perfectly suited to your needs while providing the safest preservation for your most precious samples.

To order, please visit our eShop at www.eppendorfna.com/ULTspecialdeals and use the promotion code: **REF30ULT** at check-out for a 30% discount compared to a new model, or contact your local Eppendorf representative.
